

The Colorado Senate

*Convened in the First Regular Session of the
Seventy-Second General Assembly*

Hereby extends recognition to

Todd Ohlheiser

The Colorado State Senate is proud to recognize the outstanding contributions to our state and country by Todd Ohlheiser. Mr Ohlheiser has led the Colorado Ready Mix Concrete Association (CRMCA) to two consecutive national association awards as well as being named the 2018 State Executive of the Year by the National Stone, Sand & Gravel Association (NSSGA). Under his leadership, both state associations are focused on positively impacting legislative, regulatory and safety-related issues within the aggregates and concrete production sectors through educational outreach, lobbying efforts and quality improvement programs. The Colorado State Senate would like to congratulate Todd Ohlheiser.

*On request of Senator Jerry Sonnenberg
